ORDER

This matter is before the Court on the Report and Recommendation [Doc. No. 27] of the Magistrate Judge recommending that Plaintiff's Motion for Default Judgment [Doc. No. 23] (the "Motion") be granted and default judgment be entered in favor of Plaintiff Larus Cloud Service Limited ("Plaintiff"). The Magistrate Judge advised the parties that objections to the Proposed Findings of Fact and Recommendations must be filed within fourteen (14) days of service and that failure to object waives appellate review. No objections have been filed. Having conducted a *de novo* review of the evidence in this case, the Court adopts and incorporates the findings and recommendations of the Magistrate Judge. Accordingly, it is hereby

ORDERED that default judgment be entered in favor of Plaintiff against Defendant and that declaratory judgment be, and the same hereby is, issued declaring that (1) Count I of Plaintiff's Complaint [Doc. No. 1] be, and the same hereby is, **DISMISSED** because Plaintiff's relief may be granted under the Federal Anti-Cybersquatting Consumer Protection

Act, 15 U.S.C. § 1125(d) (the “ACPA”); and (2) Plaintiff’s Preliminary Injunction [Doc. No. 18] be converted into a Permanent Injunction that retains Plaintiff as the registrant of the disputed domain; and it is further

ORDERED that Plaintiffs Motion for Default Judgment [Doc. No. 23] be, and the same hereby is, **GRANTED**.

The Clerk is directed to enter judgment in favor of Plaintiff Larus Cloud Service Limited and against Defendant laruscloudservices.net pursuant to Federal Rule of Civil Procedure 58, and to forward copies of this Order to all counsel of record.

Anthony J. Trenga
United States District Judge

Alexandria, Virginia
